Dear Property Owner

Renovating, extending or building new?

At Cast Reproductions we can offer you a variety of aluminium heritage fence panels, posts, frieze, valance, balustrade panels, roof finials and crestings or we can copy any old existing pieces you may have.

Don't just renovate the inside of your property give the outside a facelift as well. Replace your broken or missing pieces or add new authentic lacework and fencing to make your property the envy of others.

If you want quality, service and a price to suit your budget, then give us a call on 08 8349 6780 and let one of our experienced team members assist you.

Other selections are available
